NOTES:

Marketer prices must be filed by the 5th of each month

Commission website: www.psc.state.ga.us

All available marketer rate plans may not be listed on the website. Please contact the marketer for any additional rate plans or offerings.

NEW---If the marketer provided a range of customer service fees based on credit or consumption, then that marketer's "Total Monthly/Annual Bill" Calculation is calculated by using

the HIGHEST of the range. Specific customers' total bill calculations may be different depending on the marketers' credit criteria and consumption.

- (a) The prices billed to a consumer on a variable rate plan will not exceed the price the marketer has on file with the Commission in effect at the beginning of the consumer's billing cycle (meter reading cycle).
- (b) The Regulated Provider Group 1 customers low income customers who are qualified by the State Dept. of Human Resources. Group 2 customers high-credit risk customers who cannot obtain service from a marketer.
- (3) The Total Annual Bill and Total Monthly Bill include the base charges from Atlanta Gas Light Company. The annual base charge for a typical customer with a 1.30 DDDC Factor is \$434.53 and is \$264.75 for qualifying senior citizens. The October 2022 base charge is \$29.52 for a typical customer with a 1.30 DDDC Factor, and is \$15.34 for qualifying seniors with a 1.30 DDDC Factor.
- (d) "Apples-to-Apples" = (total monthly bill / monthly consumption)
- (5) Total Monthly Bill = [(Marketer rate (variable or fixed) x 38 therms) + (customer service charge) + October base charge)]
- (f) Prices do not include sales tax, which vary by county.
- (g) Existing Plans Are Not Available to New or Existing Customers Not Currently On These Plans
